RULES.

The application shall be made through the Collector or Deputy Commissioner of the district in which his parents reside at the time of the application, or have previously resided for a period of not less than three years, or in which he has himself resided otherwise than as a student at an educational institution only, for a like period.

(2) In the case of Calcutta applications shall be submitted through the Commissioner of Police.

(iii) Cadets of the Prince of Wales's Royal Indian Military College, Dehra Dun, shall submit their applications through the Principal of the College.

(b) a Ruler or a subject of a State in India.

Provided that in the case of a British subject the requirements of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

Provided also that a Ruler or a subject of a State in India cannot be appointed unless he has obtained the declaration required under section 96-A of the Government of India Act.

3. The nomination of a candidate selected for admission to the R. A. F. College will be required to covenant with the Secretary of State in Council that the parent or guardian of the cadet will discharge from his own personal resources all the financial obligations attaching to the training of his son or ward at the Royal Air Force College, Cranwell and that in the event of failure to comply with certain contingencies set forth in an Indenture relating to the completion of the course at the Royal Air Force College, Cranwell, and thereafter, the acceptance of a commission in the Indian Air Force and the period he is required to hold such a commission, he will pay the full cost which the Government of India shall have expended on the education of the cadet at the Royal Air Force College. Should it be found that the declaration in regard to discharge of financial obligations at the Royal Air Force College is false in any respect, the cadet will be liable to immediate removal from the College.

4. The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor General in Council, be limited to such number as the Governor General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit, the Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers, in the Indian Army and/or Indian Air Force.

No. 1495.—

In exercise of the powers conferred by sub-section (1) and clauses (f) and (p) of sub-section (2) of section 199 of the Madras Local Boards Act, 1920 (Madras Act XIV of 1920), the Governor acting with Ministers is hereby pleased to make the following rules relating to the preparation of budgets by panchayats, the sanction of such budgets and the transfer of allotments entered in the sanctioned budgets of panchayats from one head to another:—

RULES.

Preparation of the budget.

1. The president of every panchayat shall in each year frame a budget showing the probable receipts and expenditure of the panchayat during the following year.

2. The working balance to be provided for in the budget shall not be less than 5 per cent of the estimated receipts during the year excluding those from endowments, provincial grants and debt heads.

3. The budget of every panchayat and an abstract thereof shall be prepared in such form as may be laid down by the Local Government from time to time.

4. (1) Vernacular copies of the budget shall be circulated to the members of the panchayat sufficiently in advance of the date fixed for the consideration of the budget by the panchayat, so that the members may have a reasonable opportunity of examining the same before the said date.

(2) The budget shall, after it has been circulated as provided in sub-rule (1) and after detailed scrutiny by the budget committee, if any, of the panchayat, be placed before the panchayat by its president.

Sanctioning of the budget.

5. The panchayat shall sanction the budget with such modifications as it may deem necessary after satisfying itself on the following points, namely:—

(i) that the estimate of receipts is exhaustive and cautious;

(ii) that due provision has been made for all obligatory charges;

(iii) that provision has been made for the due discharge of all liabilities in respect of loans contracted by the panchayat and for all other commitments;

(iv) that all variations between the figures of the budget year and those of the previous year have been adequately explained; and

(v) that the working balance is not less than the minimum prescribed in rule 2.

6. Three copies of the sanctioned budget shall be furnished to the district board on or before the date fixed by the district board under section 118 and one copy shall at the same time be furnished to the auditor. Where any modification of such budget has been directed by the district board under sub-section (3) of section 118, three copies of the budget, modified in accordance with such directions, shall, without delay, be furnished to the district board and one copy to the auditor.

7. No panchayat shall authorise any item of expenditure not included in the budget or which is in excess of the budget allotment without indicating the source from which the money required for the proposed expenditure is to be found.

8. The sanctioning of the budget shall not by itself be deemed to authorise the panchayat to incur all the expenditure provided for therein; and where the sanction of the Local Government or of any other authority is required for incurring any expenditure, provision for which has been included in the budget, and such sanction has not been specifically accorded, it shall be the duty of the panchayat to obtain such sanction before the expenditure is incurred.

9. The president of every panchayat shall pay prompt attention to the remarks, if any, made by the auditor in regard to expenditure as compared with the budget allotment.

Allotments and transfers.

10. All allotments made in the budget shall lapse at the end of the year. Parts of allotments remaining unexpended at the end of the year shall not be reserved for disbursement after the end of the year, nor shall they be appropriated by transfer to deposits or any other head or drawn in advance, in order to avoid lapse.

11. All expenditure during the course of the year shall be regulated in accordance with the allotments made in the budget for the year as sanctioned by the Local Government.

12 (1) Where an allotment or additional allotment under any head of account is subsequently found necessary, such allotment or additional allotment shall, with the sanction of the district board, be made by reappropriation from other heads, subject to the condition that all applications for reappropriation shall be made in Form A appended to these rules and shall be submitted by the president of the panchayat after obtaining its sanction in time to admit of the district board passing orders on the applications before the end of the year:

Provided that the sanction of the panchayat shall be sufficient for the transfer of allotments not exceeding one hundred rupees from one head to another.

(2) The president of the panchayat shall forward to the auditor a copy of the order of the district board sanctioning such application within a week from the date of receipt of such order.

13. Where it is found necessary to find allotments or additional allotments from balances of any kind or from other sources, such allotments or additional allotments shall be made with the sanction of the district board subject to the following conditions and limitations:—

(i) the working balance shall not be reduced below the minimum specified in rule 2;

(ii) the applications for allotments or additional allotments shall be made in Form B appended to these rules and shall be submitted by the president of the panchayat after obtaining its sanction in time to admit of the district board passing orders on the applications before the end of the year; and

(iii) the president of the panchayat shall forward to the auditor a copy of the order of the district board sanctioning such application within a week from the date of receipt of such order.

Madras, 16th November 1935

In exercise of the powers delegated to him under section 233 of the Madras Local Boards Act, 1920, as amended, the Inspector of Municipal Councils and Local Boards hereby directs under section 5 (2) (b) of the Act, that the revenue villages of Bavinahalu and Haddinagunchi shall be included in the Bankahalli Panchayat Board, Bellary taluk, Bellary district, so that the jurisdiction of the board may extend over all the revenue villages referred to.

Madras, 16th November 1935.

In this office notice R.O.C. No. 31230/35, dated 10th October 1935, the President of the Alakkudi Panchayat Board, Tanjore taluk in the Tanjore district was directed under section 43 (1) of the Madras Local Boards Act, 1920, to explain why he should not be removed from office for not having

(1) deposited the panchayat moneys in the Postal Savings Bank,

(2) convened meetings of the panchayat board regularly,

(3) allowed the members of the panchayat to inspect the accounts of the panchayat, and

(4) produced the cash balance of Rs. 230 before the District Panchayat office when demanded. The President has not sent any explanation in response to the notice though the prescribed time has expired.

In exercise of the powers delegated to him by the Local Government under section 233 of the Madras Local Boards Act, 1920, and in virtue of the powers conferred under section 43 (1) of the said Act, the Inspector of Municipal Councils and Local Boards hereby removes M.R.Ry. E. Ramaswami Nattar Avargal, President, Panchayat Board, Alakkudi, Tanjore taluk, from the office of the President of the said panchayat.

Madras, 18th November 1935.

The District Panchayat Officer, Nellore, brought to notice that the President, Panchayat Board, Vikadru, has not deposited the panchayat funds in the postal savings bank despite repeated instructions, and that when the Assistant Panchayat Officer visited the village on 12th September 1935 the cash balance was not produced when demanded by him. Again when the Assistant Panchayat Officer visited the village on 24th September 1935 he found that the cash balance to an extent of Rs. 740 was not produced or deposited in the savings bank. As it was clear that the president had misappropriated panchayat funds, a notice was issued to him on 16th October 1935 asking him to show cause why he should not be removed from office as president under section 43 (1) of the Act. In his reply the president says that he kept the board's money with him paying a higher rate of interest than the rate allowed in the savings bank and that the board authorised him to keep the amount with him. The resolution was neither shown to the Assistant Panchayat Officer when he visited the village nor was a copy of it sent to this office. Further the president states that he would rather resign his office than deposit the money in the savings bank. This shows that he refuses to carry out the provisions of the Act. The Inspector therefore considers that M.R.Ry Gandavasian Krishna Reddi Garu, President, Panchayat Board, Vakadu, has wilfully disobeyed the provisions of the Act and the lawful orders issued thereunder, and in exercise of the powers delegated to him by the Local Government under section 43 (1) of the Madras Local Boards Act, 1920, directs that the president shall be removed from his office.

In this office notice R.O.C. No. 28748/35, dated 12th September 1935, the President of the Nalli Panchayat Board, Sattur taluk, Ramnad district, was directed under section 43 (1) of the Madras Local Boards Act, 1920, as amended, to explain why he should not be removed from office for having made a false allegation in the resolution of the panchayat board, dated 10th December 1934, against the village headmen and the vaccinator that they demanded money from the panchayat board and for having created false records that a meeting of the panchayat board was actually held on 10th December 1934 and that the resolution in question was passed at the meeting.

The explanation offered by the President is unsatisfactory and cannot be accepted. It is found on enquiry that neither the village headman nor the vaccinator demanded any money and the President is therefore guilty of a most deliberate and shameful abuse of his position. In exercise of the powers delegated to him by the Local Government under section 233 of the Madras Local Boards Act and in virtue of the powers conferred under section 43 (1) of the said Act, the Inspector of Municipal Councils and Local Boards hereby removes M.R.Ry. T. V. Narasappa Nayakar Avargal, President, Panchayat Board, Nalli, Sattur taluk, from the office of the President of the said panchayat.

Madras, 19th November 1935.

In exercise of the powers delegated to him by the Local Government under section 233 of the Madras Local Boards Act, 1920, the Inspector of Municipal Councils and Local Boards hereby—

(1) declares under section 5 (1) of the Act that the local area specified in column (1) of the schedule below shall be a village for the purposes of the Act with the name shown in column (2) of the said schedule; and

(2) directs—

(a) under section 10 (1) of the Act that the total number of members of the panchayat board shall be as specified in column (3) of the said schedule, and

I എന്ന ഉപാധം.

പേ വിടുപരിഹാരചികിത്സ സംബന്ധിച്ചുള്ള പുനരാലോചന ചെയ്യപ്പെട്ട കാര്യമാണെന്നും പറയട്ടെ.

പേ വിടുപരിഹാര ചികിത്സ ചെയ്തിട്ടുവാൻ തുടങ്ങുന്ന രോഗികം അറിഞ്ഞ നടപ്പാനുള്ള വിധത്തിനിൻറെ തെളിവാണ്ടും.

ഒരു ദിവസം ആളുകളെ കടിച്ചശേഷം, അതിനെ കാണാതെ തുടങ്ങുകയോ കൊല്ലുകയോ ചെയ്യും മുമ്പിനു പേയുണ്ടെന്നു സംശയിക്കുകയും ചെയ്യുന്നതായാൽ കടിയേറ്റവർ ഉടനെ ഈ വിധപരിഹാര ചികിത്സ ചെയ്യിക്കണം. മറ്റു സംഗതികളിൽ ഈവിധപരിഹാര ചികിത്സ ചെയ്തിക്കണമെന്നു തീർച്ചയാക്കുന്നതിനു മുമ്പു, താഴെ പറയുന്ന സംഗതികളെപ്പറ്റി ആലോചിക്കണമെന്നു അവരെ ഉപദേശിക്കുന്നു :—

(i) പേ പിടിച്ചിരിക്കുന്ന ഒരു ദിവസം ക്രൂരതയുള്ളതോ ഭയങ്കരമുള്ളതോ ആയിരിക്കാം.

(ii) വെള്ളം കണ്ടാൽ പേടി ഉണ്ടാവുകയെന്നതു ഒരു ദിവസത്തിനു പേയുണ്ടായിരിക്കാം.

(iii) ഒരു ദിവസത്തിനു പേ പിടിക്കുന്നതിനു ചുരുങ്ങിയ സമയത്തിൽ എന്നു മുമ്പായി തന്നെ പക്ഷവ്യക്തമേല്പിക്കുന്നതായിരിക്കയില്ല.

(iv) തേളിനേൽ മുറിവുണ്ടാക്കുന്ന കടിയുടെ സംഗതിയിലൊ പുതുതായി തോലുരിഞ്ഞ പൊട്ടിട്ടുള്ളതിൽ വായനീർ തട്ടിയാലൊ മാത്രമെ ചികിത്സ ആവശ്യമുള്ളൂ.

(v) ഒരാളെ കടിച്ചിട്ടു രണ്ടു മാസം കഴിഞ്ഞശേഷം പക്ഷവ്യക്തത്തിൻറെ അപകടം വളരെ കുറയും.

(vi) ഒരു ദിവസത്തിനു പേയുണ്ടെന്നു തീർച്ചയാക്കുന്നതുവരെ അതിനെ കൊല്ലരുതു. എന്നാൽ മറ്റു വല്ലവരെയും കടിപ്പാൻ സാധിക്കാത്തവിധത്തിൽ അതിനെ സൂക്ഷിക്കുകയും വേണം. വല്ലവരേയും കടിച്ചതിനുശേഷം ചുരുങ്ങിയ സമയം അതു ജീവിച്ചിരിക്കുന്നതായാൽ ചികിത്സ ആവശ്യമില്ല.

(vii) നായക്കു പേയുണ്ടെന്നു സംശയിക്കുന്നതായാൽ അതിൻറെ തലച്ചോറു പരിശോധിക്കുന്നതുവരെ താമസിക്കരുതു. പരിശോധനയുടെ ഫലമായി ചെയ്തിട്ടുള്ള കാണുന്നതായും അതു തീർച്ചയായിട്ടുള്ളതല്ല.

(viii) നായക്കു പേയുണ്ടെന്നു സംശയിക്കുന്നതായാകുമില്ലെങ്കിലും കടിച്ചതിനുശേഷം കഴി

യുന്നതും വേഗത്തിൽ മുറിവു നന്നായി കൂടുകിട്ടുന്നതുമാണ്. ഇതിനു പുറമേ ഓപ്പറേഷനുള്ള ഏറ്റവും നല്ല സാധനം ഇന്ത്യ കമ്പനിയുടെ ആസിഡ് തന്നെ, കാരണം അതു നല്ലപോലെ ഉള്ളിൽ കടക്കുകയും അഴുകിപോകുന്നതിൽ നിന്നു പിടിച്ചുനിർത്തുകയും ചെയ്യുന്നു. അതു പുരട്ടിയ സ്ഥലം മെഴുകുപോലെ കനംകൊണ്ടു പ്രാണത്തിൽ തുല്യമായിരിക്കുന്നതിനാൽ മറ്റുമരുന്നുകളൊന്നും ഇതിനു കാണപ്പോലെ ഇന്ത്യ കമ്പനിയുടെ ആസിഡിനെപ്പോലെ അതു ഫലപ്രദമായിരിക്കയില്ല. കടി ഏറ്റതിനുശേഷം ഏതു വേഗത്തിൽ പൊട്ടിക്കുന്നുവോ അതു അത്രയും നല്ലതു ഫലപ്രദമാവാനിടയുണ്ട്.

2. ചികിത്സിപ്പിക്കേണമെന്നു തീർച്ചയാക്കിയതിനുശേഷം, ഏറ്റവും അടുത്തതും ഏറ്റവും എളുപ്പത്തിൽ ചെല്ലുവാൻ കഴിയുന്നതുമായ ആയ ചികിത്സ നടത്തുന്ന സ്ഥലത്തു പോകുന്നതിനു കാലതാമസം അരുതു.

3. ഗ്രാമ്പുവിക്കുപരിഹാര ചികിത്സ കന്നുകാലികളുടെ പോസ്റ്റുമോർട്ടം വൈദ്യരോഗിയിലും, തിരോഡിയിലെ മനുഷ്യ ആസ്പത്രിയിലും, (ഊട്ടക്കമണ്ടിയിലെ ആസ്പത്രി വഴിക്കു) എല്ലാ ഡിസ്ട്രിക്ട് ഹെഡ്കാർട്ടർ ആസ്പത്രികളിലും, ലവ് ഡെയിലിലെ ബാൻസ് മെയ്മോറിയൽ നേറ്റിവ് ജനറൽ സ്പിറ്റലിലും, താഴെ പറയുന്ന സ്ഥലങ്ങളിലെ ആസ്പത്രികളിലും വെച്ചു് നടത്താവുന്നതാണ് :—

He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender, sign an agreement in the departmental K-2 form for the due fulfilment of contract. Failure to enter into the required agreement shall entail forfeiture of the earnest money.

5 To give to prospective tenderers an idea about the nature and volume of work to be done and to enable them to quote suitable rates a schedule of approximate quantities is furnished. It shall however be definitely understood that the Government does not accept any responsibility for the correctness of the schedule and that it is liable to alterations by omissions, deductions or additions. The several items of work noted in the schedule are to be executed as per the Madras Detailed Standard Specifications or supplemental specifications for which reference is given against each. These can be seen at any time between 11 a.m. and 5 p.m. on office days at the office of the Executive Engineer, Kistna Western Division, Bezwada.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of conservancy, tolls, etc.

8. The rate tendered should be for finished work in situ inclusive of all incidental charges connected with its execution and should be quoted in rupees, annas and in terms of three pies. TENDER FOR CLEARING SILT IN THE DIFFERENT REACHES OF THE BUCKINGHAM CANAL (IN NELLORE DIVISION) FOR THE YEAR 1936

Tenders will be received by the Division Officer, Nellore Division, at his office at Nellore up to 4 p.m. on 16th December 1935 for the work of clearing silt in the different reaches of the Buckingham Canal (in Nellore Division) for the year 1936.

The tender should be in the K 2 form obtainable from the Executive Engineer's office.

2. Tenders must be submitted in sealed covers and should be addressed to the Executive Engineer, Nellore Division, the name of the tenderer and the name of the work being noted on the cover.

If the tender is made by an individual, it shall be signed with his full name and his address shall be given. If it is made by a firm, it shall be signed with the co-partnership name by a member of the firm who shall also sign his own name, and the name and address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by a duly authorized officer who shall produce with his tender satisfactory evidence of his authorization. Such tendering corporation may be required, before the contract is executed, to furnish evidence of its corporate existence.

3. Each tenderer must pay, as earnest money, a sum of rupees as specified in the schedule into the branch of the Imperial Bank of India or into the Government treasury or sub-treasury within the jurisdiction of the Divisional Officer concerned to the credit of revenue deposits on behalf of the Executive Engineer of the Nellore Division, and enclose with his tender the chalan endorsed accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, after intimation in sort of rejection of the tender or at the expiration of two months from date of tender, whichever is earlier. This refund will be authorized by the Executive Engineer, by suitable endorsement on the chalan. The earnest money will not be received in cash or currency notes by the Public Works Department officers, save in exceptional cases, where there are no treasuries or banks within the jurisdiction of the officer calling for tenders. When currency notes are given, the tenderer should sign his name in full with date, on the back of all the currency notes given by him, whatever their denominations may be.

When a tender is to be accepted, the tenderer whose tender is under consideration, shall attend the office on the date fixed by written intimation to him. He shall forthwith, upon intimation being given to him by the Executive Engineer of acceptance of his tender, complete the executing of the contract by signing all documents connected therewith. Failure to do so within ten days shall entail forfeiture of the earnest money.

The earnest money will be retained in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the agreement conditions.

4. Tenderers shall peruse carefully the instructions in "Directions to Parties Tendering" and the conditions of the Standard K 2 form and all other relevant contract documents before tendering rates for percentage.

5. The Executive Engineer reserves the right to reject any tender or all the tenders without assigning any reason therefor. Tenders offering a percentage deduction from or increase on the estimate amounts, and those not submitted in proper form or in due time will be rejected.

6. No allowance will be made for shrinkage of the silt removed from the bed of the channel. The spoil will be measured on berms after it is dried and settled, i.e., not less than seven days after it is stacked.

7. The work must be carried out according to the following specification:—

Specification.

For silt clearance in the Buckingham Canal, Nellore division.

(i) In closed reaches where water level is fairly constant, pegs will be driven at the edge of water at high tide level at every 200 feet, on both sides East and West. Soundings will be taken before and after removal of silt, at those sides only. Before taking any sounding, the level of water will be read from the level recorded at the nearest lock. The depth of water at every 10 feet interval taken at each of these cross-sections gives the level of the top of silt before removal. The level of the bed of the canal after silt removal, will be similarly obtained by soundings taken after removal at the same cross-sections and at 10' intervals. Soundings will be taken by the Lock Superintendent or the Section Officer as the case may be. It is obligatory on the part of the piece-worker to be present at the time when soundings are being taken or to send a representative, authorized in writing. The soundings must be signed both by the piece worker or his authorized agent and the Lock Superintendent or the Section Officer who takes the soundings. From the soundings, a statement showing the depths to be cut at every place shall be worked out by the Lock Superintendent or the Section Officer and one copy of the statement will be handed over to the contractor or his authorized agent. Another copy will be retained by the Section Officer who will verify them and submit a statement to the Subdivisional Officer. Work should not be started by the piece-worker before the above procedure is completed. The statement handed over to the contractor or his authorized agent will be the basis for all work to be done and he should produce it for reference when called upon to do so.

(ii) Clearance of silt must be confined to a width of 20 feet in the centre of the canal ordinarily. In the case of Muni Kudigondi closed reach affected by chouda drift and at ramps and crossings, silt may be removed for a width of 30 feet. This width for which silt is removed should be indicated by the driving of measuring pegs.

(iii) The spoil removed must be neatly stacked well beyond, at least, 5 feet away from high tide water marks. The stacks shall be of 10 feet width; unless the space is insufficient in which case the width may be reduced to 6 feet, increasing the height correspondingly. Stacking silt will not ordinarily be allowed in the inner slopes of the canal as in such cases, the silt is liable to be washed into the canal.

(iv) On the next day or the third day after the silt is removed for at least a length of two furlongs, the Lock Superintendent should take soundings of the bed of the canal in the presence of the contractor or his authorized agent, obtain his signature and send them to the Section Officer. At the time when the Section Officer takes measurements of the work done, he should check the same with these soundings which will form the basis for such check. The Section Officer should send a copy of the second set of soundings to the Subdivisional Officer.

(v) In the open reaches, soundings similar to those in the closed reaches, will be taken before and after silt clearance and payment will be made after adopting

the procedure enforced for closed reaches except in places where the actual rate of stream water-current are met with. In this case, the silt removed will be thrown on the bank on side 40 feet beyond the centre of the channel. Thereafter measurement of silt stacks is impossible and the payment for silt clearance will be made on levels taken before and after such clearance.

(vii) All silt clearance stacks that are measured to end of May 1936 should be removed completely within end of May 1937 and those measured in June 1936 and after, all stacks that are measured in June 1936 and after, shall be removed within six weeks from the date of check-measurement, failing which, the removal will be done departmentally at the cost of the contractor.

(viii) No scouring of spoil thrown on banks should be done except when ordered specifically in writing by an authority not inferior than the Subdivisional Officer.

2. The wood has been classified according to the classes noted above. Intending purchasers are advised to inspect in advance. The lots put up for sale, but they must accept the classification made in the depot as final.

3. The various classes have been stored in the sandalwood godown in lots of 10, 15 and 20 tons for convenience, but the lots so exposed will not constitute an actual lot for which bids will be accepted. Each class of wood will be offered for sale separately in lots of 20, 15 or 10 tons or less of components, such lots merely consisting of a certain quantity of the class of wood then being sold. Bids will be per ton of each class of wood.

4. The sale will be subject to confirmation by the Conservator of Forests, Salem Circle, who does not bind himself to accept the highest or any bid.

5. Before being allowed to bid, each intending bidder must pay an earnest money deposit of Rs. 2,000. If paid in cash immediately before the sale, this should preferably be in the form of Madras notes for Rs. 1,000 or Rs. 500. A receipted Government treasury chalan for the amount will also be accepted. In the case of intending bidders, who have previously bought sandalwood from the Forest Department, a cheque on the Imperial Bank of India for the amount will be accepted, but the discretion to accept such cheques rests entirely with the officer conducting the sale.

6. If two or more persons in partnership attend the sale with the intention of purchasing wood jointly, only one member of the partnership will be recognised for purpose of bidding and the deposit will be accepted in his name.

7. The earnest money deposit of unsuccessful bidders will be returned immediately after the sale is over, and that of successful bidders will be credited towards the first instalment of the purchase price.

8. Each purchaser shall, immediately a lot is knocked down to him, sign his name at the foot of the sale list, in the column provided for the purpose, and such signature will be held as an admission on his part of his having purchased that particular lot and of having accepted the conditions of the sale notice

9. Immediately the sale is over, each purchaser of his offer for any particular lot has been accepted by the Conservator of Forests, will be furnished with a memorandum showing the total amount due from him. He shall remit 25 per cent of this amount, less the earnest money deposit, into the Imperial Bank of India at Vellore or Madras, within fifteen days of the confirmation of the sale and another 25 per cent before the 17th March 1936, the balance of 50 per cent being paid on or before 6th May 1936, or against delivery, whichever is earlier Should any purchaser fail to make the necessary remittances by the due dates the money already remitted will lapse to Government and the District Forest Officer will be at liberty to resell the wood in question at the risk of the purchaser who shall be liable for any loss, but shall not participate in any profit which may arise by the resale,

10 After 50 per cent of the entire sale value has been paid to the credit of the Forest Department delivery of the sandalwood shall be made to the purchaser provided that until full payment has been made a quantity of wood equivalent to 25 per cent of the full sale value shall remain unreleased, but paid for.

11. On the purchaser's presenting chalans as proof that 50 per cent of the entire sale value has been paid, a proportion of the wood purchased will be weighed in his or his agent's presence and the quantity handed over to him as provided for in condition 10 supra If, however, proof is produced that the entire sale value has been paid, the whole sandalwood purchased will be weighed and handed over. The purchaser must take delivery of and remove the whole of the wood sold to him on or before the 23rd May 1936.

Should any excess over the quantity paid for be found in the quantity purchased when weighing at the time of delivery, the excess will be paid for by the purchaser at the rate at which it was originally purchased before effecting removal If any one purchaser has purchased more than one lot or class and if there is any excess in one lot or class and deficit in the other, when weighing at the time of delivery on a particular day, the value of the deficit noticed calculated at the rate at which the main lot or class was sold) will be adjusted towards the value of the excess quantity noticed in the other lot or class as the case may be, and the balance, if any, will

due from the purchaser will be collected before permitting him to remove the quantity delivered during the day. If, however, the net quantity delivered results in a deficit on account of dry-age over the recorded quantity at the time of sale, the value of the deficit quantity at the purchased rate will be refunded in due course.

12. The accepted bidders, when depositing their agents to take delivery, must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer by post, with four specimen signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will count against the accepted bidder.

13. No further cleaning or classification of sandalwood will be undertaken by the Forest Department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest Department, must be accepted.

14. After the wood has once been weighed and handed over, if the purchaser fails to remove all the wood within the period allowed in clause 11 demurrage will be charged at the rate of Rs. 2 per ton per diem from the last date fixed for delivery until the wood is finally removed.

15. No sandalwood shall be removed from the depot till a licence to remove it signed by the officer of the Forest Department, who delivered the wood, shall have been obtained and till every piece of sandalwood thus can be stamped bears the department's 'sale hammer' mark.

16. The officer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the intending purchasers.

17. The wood purchased by each purchaser shall be in the depot at the purchaser's risk from the date of sale until it is removed.

18. The contractor shall bear the cost of taking delivery of sandalwood.

19. Each intending bidder unless specially exempted by the Conservator of Forests, Salem Circle, Salem, on an application made in writing at least fifteen days before the date of sale, must produce a solvency certificate signed by a responsible Revenue Officer of the district in which he resides, and the District Forest Officer holding the sale may refuse to allow any bidder not so exempted to bid beyond the amount guaranteed in such certificates.

20. Any supplementary conditions that may be found necessary will be added and read out at the time of auction.

21. The full quantity of wood advertised for sale will not necessarily be put up to auction.

22. Further particulars can be had on application to the District Forest Officer, Vellore West Division, Tiruppattur, North Arcot.
